

Baskervill and VLPP Earn LEED Silver Status for New Health Center

RICHMOND, Va. (January 28, 2010) – Baskervill is pleased to announce the Virginia League for Planned Parenthood (VLPP) has earned the LEED Silver designation by the U.S. Green Building Council for its new Richmond facility.

Baskervill worked closely with VLPP to design its new health center to incorporate many sustainable features while doubling the capacity of the facility. Some green elements include:

- Preferred parking for fuel efficient/low emitting vehicles
- 95% of construction waste was diverted from landfill
- 20% water use reduction
- Locally sourced and recycled materials

Recent LEED and sustainable design projects for Baskervill include the DoubleTree Palm Beach Gardens Executive Meeting Center, offices for WM Jordan and the Central Virginia Food Bank Community Kitchen.

Baskervill, an international, award-winning, full-service architectural, engineering, interior design and sustainable design firm, delivers world-class services to a diverse client base that ranges from hospitality, government, education, corporate, healthcare, retail, financial and industrial institutions to Fortune 500 companies. Founded in 1897 and headquartered in Richmond, Virginia, Baskervill offers a rich history of ingenuity, integrity and technical expertise that has made them a premiere service provider across the country and around the world.
